

HACKFINIX 2026 OFFICIAL RULEBOOK

1. ELIGIBILITY & TEAM STRUCTURE

- Maximum team size is 4 builders. Cross-institutional teams are permitted.

2. 36-HOUR TIMELINE RUNWAY

- Coding starts immediately after track briefings and continues for 36 hours straight.

3. CORE MISSION INTEGRITY

- All submissions must align with one of the 4 active theme domains.
- Pre-existing code bases are strictly prohibited; custom API configurations allowed.

4. INTELLECTUAL PROPERTY & DEPLOYMENT

- Teams retain complete IP ownership. Working live demos are mandatory for final showcase.
